Bits & Pieces

Temptations, unlike opportunities, will always give you many second chances.
O.A. Battista, Scientist and writer

When Tyler blurted out an expletive in class, his fourth-grade teacher couldn't believe her ears.

"In the hallway right now, young man," she demanded. "Where on earth did you learn that kind of word?"

"My dad says it all the time," Tyler said.

"Well, that's not a word you or your father should be using," the teacher scolded. "Do you even know what it means?"

"Yes," Tyler said proudly. "It means the car won't start."
