PRIMARY FOCUS

Gary Huston

Gary asked if we have ever had a kind of God experience? He was at a time share offer where he got some free tickets to go see a show at the Governors Palace. The show was "Celebrate America". It was 80 kids putting on a tremendous show. These kids go out in teams called Primary Focus. They send flyers for kids to join. In 2005 Rotary and Gary started to sponsor a group for P.C. Elementary. This was their third time at school. We then watched a DVD of one of their performances. Primary Focus goes to 45 states and touches over 2 million kids. Each group consists of 8 college age

students. It is a positive promotion called "Start Dreaming". It is to build character, spirit, respect, citizenship, etc. "What do I want to be when I grow up?" You can make good or bad choices. With good choices you can't go wrong. The school is living proof. Primary Focus came to a church service that Nick Huber was at. He is now on the East Coast performing for them. **"IF IT IS TO BE, IT IS UP TO ME!"** They volunteer for one year with no pay. In return they get one free year of tuition at Liberty University. They charge \$600/performance or \$1,000 per day.
