P.C.H.S. STUDENT SENATE

Teacher: Jason Ronna

Pres.: Erin Petersen

Erin told how the Student Senate Board is made up and discussed several things they do.

It is made up of a President, Vice President, Treasurer, Secretary and two representatives from each class. One goal this year was to raise \$5,000 for Blake Hall to help with his

cancer bills. They raised \$8,000. The Asst. Principal (Neidigh) promised to shave his head if the goal was met. They enjoyed watching his head being shaved at the football game. Another project was the Junior Class Prom (this takes one year of planning) and Homecoming Parade. In November, they distribute Thanksgiving meals to the needy.

CHICAGO MARATHON

John said "It was really hot!" He ran a slow 10 min. mile after having his surgery and getting fat? They stopped the race at the 18 mile marker with helicopters announcing the stop. One person had died due to the complications. It was really tough on the inexperienced runners. They started with 35,000 with under 25,000 finishing. Everyone needed water but there was none to be had. At noon the helicopter requested the runners stop and cut the course to 18 miles or less.

Bits & Pieces

CONFLUENCE

Today we all speak, if not the same tongue, the same universal language. There is no one center, and time has lost its former coherence; East and West, yesterday and tomorrow exist as a confused jumble in each one of us. Different times and different spaces are combined in a here and now that is everywhere at once.....Octavio Paz, Alternating Current
