Jim Schahrer, President of the Fair Board, wanted to thank everyone for their help and sponsorship. The board works hard and says thank you. The cattle and hogs are up, sheep are down.

Andy is in the carnival industry. They have been going to some fairs for over 50 years. They consider these people and towns their friends. They hope Fairbury will be one of their many friends. He noted that our fair board is a working board, not like some of the others. He is the Chairman of the OBA Assoc. for all carnivals and circuses in Illinois and around. The economic times are tough and they have to hone their skills with fuel prices as they are. They have training seminars, background checks, and drug testing for all their employees. In Illinois, it is required. They try to bring the finest event they can. Their year runs from April - October, 7 days a week. They visit fairs in Illinois, Indiana, Missouri and Miami, Florida.
