Flood Relief

Leroy and Keith presented a \$1060.00 check today, for flood relief assistance, to Susan Curtis with the Pontiac Township Supervisors' office. The Pontiac Township office is beginning to distribute the \$70,000.00 plus dollars they have received. Louise Lyons, the Pontiac Township Supervisor feels the need is much greater than the funds they have available, but mentioned the importance of contributions such as ours. Thanks to everyone who helped make this possible!
