SCAMS

We had no scheduled program so Bud Gerber informed us of some recent financial scams that have occurred recently in Fairbury. In this age of technology, we all need to be aware of the increase in this type of crime so we can protect ourselves and our customers.

Fake "Grandkid" Scam:

We had a customer come in to the bank in distress after receiving a phone call from her "grandson" saying he was in a lot of trouble. He told her he was in Canada and had been arrested and needed her to wire money to him. She had visited with two guys the day before who had pretended to be Insurance salesmen. They asked her all about her family.

ATM/Debit Card Scam

Fairbury residents, along with others across the country, are being called and told their ATM or debit cards had been deactivated and directing them to call the number provided. When you call the number they ask for your bank number, pin number and security code. No bank will ever call you and ask for your number - they already have it.
