Student Council - Junior High and High School

Teachers: Linda Ambrose, Junior High • Jason Ronna, High School

Junior High

Junior High Speakers were Anna Hassett, Camden Yoder, Caitlin Rich, Jonah Sommers and Carter Frambes.

One of the main things the Jr. Council will learn is Parliamentary Procedure. They want to make P.C. schools and the community a better place. They concentrate on citizenship, service projects, school spirit, and involvement. Their slogan this year is "Rock the world with Leadership". They have 6 to 8 leadership camps and 2 dances per year. They practice with a mock council and follow parliamentary procedure in their meetings. Under citizenship, they help with the Boys & Girls Club and teach skills in school. They have visited the tomb of the unknown soldiers. They teach discipline and have activities. They are supporting "Operation Men" this year which repairs the faces of soldiers that have been in war that have been hit by bombs, etc. Their community event was to recycle electronics. They sponsor \$1 hat day & \$2.00 to chew gum at

the school. Proceeds go to Operation Men. They had 2 dances per year but due to their good conduct, they will have a third. Under student involvement, they are fighting breast cancer with \$300 plus fund raiser. They are collecting pop top & cans for the Ronald McDonald House. They have a can drive for the food pantry. Also they sponsor a drug group training.

High School Speaker: Chase Mowery

Chase is the poster boy for Parkland College. P.C. has 9 classes for dual college & high school credit. They have 7 teachers who can teach as high school and college professors. The student council is very active. They put on homecoming and the homecoming parade, sponsor Thanksgiving dinner for the senior citizens, this year's Veteran's Day ceremony at the high school, and the prom which will be a dinner and dance this year.
