PROGRAM

Past District Governor

Did you ever notice your worst attendance is when a District Governor is coming? Chuck joined Rotary Oct. 30, 1990. His first comment from his President was "Did you come to eat or work?" A District Governor is 20% administration and 80% talking encouragement. They start planning two years ahead. He noted 6450 will soon be part of 6490. Being a District Governor is a lot of work but also a lot of fun.
