Bits & Pieces

We do not "come into" this world; we come out of it, as leaves from a tree. As the ocean "waves," the universe "peoples." Every individual is an expression of the whole realm of nature, a unique action of the total universe.

Alan Watts

Happy is the man who has learned to hold the things of this world with a loose hand.

Marching Hawks

Lesla Kline & David Baird

The Hawks are 103 members strong. This Saturday they will be in Pontiac for competition. They are performing "Pictures of An Exhibition". This is a story of 10 pictures. They are performing 4 movements from it. It has one drum solo, and it finishes with The Great Grave of Kiev. They will be competing in 4 competitions this year. Pontiac - Saturday at 6:45 p.m., Metamora - the 10th with Field & March, U of I the 17th with Field & March and Mahomet Field Show on Oct. 24th. At U of I they will have a

tailgate party. Last year they were very successful. At each competition rules change like size of school or are you based on your band size. Usually our band size puts us up with the larger schools. Lisa and David answered several questions.
